Chesapeake Bay Trust

Chesapeake Conservation & Climate Corps

The Chesapeake Conservation and Climate Corps is a one-year term of stipend-supported service, starting each August, that places young adults with nonprofit organizations or government agencies for a full-time, service experience in the environmental field.

Throughout the program year, the young professionals (Corps Members) receive experience managing projects and programs, leadership and professional development training, mentorship, a support network of other young professionals, and other skill-building opportunities including networking and grant writing.

OUR HOST ORGANIZATIONS

Corps Host Organizations are in the fields of environmental restoration, community engagement, climate change, environmental education, sustainable agriculture, energy conservation, forestry, and more!

Past Hosts have included: Accokeek Foundation, Arundel Rivers Federation, Nature Forward, ECO City Farms, National Aquarium, Anne Arundel County Department of Public Works, and many more!

FREQUENTLY ASKED QUESTIONS

How many young adults are selected to serve as Corps Members each year?

About 80 members participate in the Corps each year.

What are the age limits for individuals interested in participating?

Young Adults ages 18-25 are eligible to apply.

Will I be compensated for my work during the year?

Each participant receives an annual stipend of \$33,280 for the year.

Are there other benefits of participating in the Corps program?

Yes! Corps Members receive 12-15 trainings during the year on leadership and professional development.
